NOTICE

Summer Sewer Credit FORM – Due by July 1

A sewer credit may be utilized for properties with metered water where an increase in water use occurs for lawn watering and filling pools during the summer months of June, July and August. The credit shall be based upon the annual water use average, providing an affidavit requesting the sewer credit is filled out at the Village Office no later than July 1. The reduction granted under the provisions of this resolution shall be calculated using the average water consumption for the prior year. A one-year history for the current occupant on the account is required for the sewer credit. If eligible, any credit will be applied to the monthly bills for June, July and August.
